**THE ALEXANDRA PALACE  
AND MUSWELL HILL ESTATE TONTINE.**

TO TERMINATE ON THE 30TH JUNE, 1886.

**TRUSTEES.**

JOHN CLUTTON, Esq., Whitehall Place.

JOHN HACKBLOCK, Esq., Bolton Gardens.

JOHN HORATIO LLOYD, Esq., Inner Temple.

THE Palace is a splendid, capacious, and substantial structure, and the Estate comprises nearly 500 acres of beautiful freehold land within a radius of six miles only from Charing Cross.

The object of the Tontine is to complete the purchase and improve the property, and thus to provide for all classes of the inhabitants of the metropolis, and especially of its northern and eastern portions and suburbs, and for the many thousands of country excursionists, a Grand Institution of healthful recreation and elevating instruction, which will combine the solid advantages of the South Kensington Museum and Schools of Art with the lighter pleasures and pastimes of the Crystal Palace at Sydenham, thus giving effect to the large and enlightened views of the late Prince Consort.

The main advantages of this undertaking may be said to be as follows:—

The holder of a Tontine Certificate for ONE GUINEA or upwards, will become entitled to—

A share in the realisation of the estate in 1886, when the net proceeds must be of enormous value.

Free admissions in the meantime, on certain occasions.

A share in the Art Unions (proposed to be held once in every three years), when the prizes will be considerable.

To be reimbursed 20s. for each Guinea paid in the event of the life nominated, and upon which the Tontine privilege depends, not surviving till the 30th June, 1886.

Thus the Tontine (besides its other great privileges) presents the opportunity of making, at a very slight cost, an ample endowment for children, or of ensuring a very large return for the capital invested.

It being a "Trust," Subscribers incur NO LIABILITY, and must benefit.

If no issue is made, the Subscriptions will be returned in full.

For further particulars, see Detailed Prospectus.

Admissions to view the Palace can be obtained at the Offices of the Company, 5 and 6, Great Winchester Street Buildings, E.C.

## The Teutonic Name-System

applied to the FAMILY NAMES of FRANCE, ENGLAND, and GERMANY. By ROBERT FERGUSON, Author of "The River-Names of Europe," "Swiss Men and Swiss Mountains," &c.

All this he has worked out with independent judgment, and it must be admitted with much truth: he has, moreover, made some new suggestions which commend themselves for the explanation of French and English names."—Dr. Dietrich, in the *Fahrbuch für Romanische und Englische Literatur*.
